Dr. J. Lederberg
Department of Genetics
University of Wisconsin
Madison, Wisconsin

Dear Doctor Lederberg:

Possibly I waited too long before trying to culture the E. Coli B strain which I obtained from you about November 1. When I did open it and the "phage" a short time ago, no growth occurred. If you can send another, I would appreciate receiving another culture of E. Coli B and a T2 bacteriophage.

Sincerely yours,

Newell R. Ziegler
Assoc. Prof. of Bact.
and Immunology
